Text: *Mathematical Applications for the Management, Lift, and Social Sciences*, Volume 1, by Harshbarger Reynolds, Special Eighth Edition for the University of Utah

Prerequisite: At least a C grade in Math 1010

Exams: The exam dates are

    Exam I: Wednesday, October 1 2008, during class
    Exam II: Wednesday, November 12 2008, during class
    Final Department Exam: Monday, December 15 2008, 3:30 - 5:30 PM

Students enrolled in this class must plan to take the exams at the scheduled times. If you have a conflict with one of these dates, let me know right away.

Grading: The grades will be calculated as follows:

Weekly Homework:	10%
Biweekly Quizzes:	20%
Exam I:	20%
Exam II:	20%
Final Exam:	30%

Sections covered in Final Exam: 0.1 - 0.7, 1.1 - 1.3, 1.5, 1.6, 2.1 - 2.4, 2.6, 3.1 - 3.4, 3.5, 4.1 - 4.2, 5.1 - 5.3, 6.1 - 6.5.

To help you learn the material you will be given reading assignments, homework to be turned in in class, web homework, and quizzes. Doing the homework and making sure you understand how each problem works is the most essential part of the class and the best preparation for the exams. I encourage you to get together to discuss the material and the homework problems. Homework will be due Wednesdays. I will only accept stapled homework.

Calculator: You may use any calculator in class you like. I may exclude the use of calculators for some exams.
